WHO WE ARE

ROOF SHEDS ARE EXPERIENCED STRUCTURAL ROOFING SOLUTION COMPANY ACROSS INDIA

Here at Roof sheds, we provide a complete range of roofing and framing solutions. We carry out all forms of modern and traditional roofing. We also provide a full roof covering service at a reasonable cost.

From replacing a slate to a property refurbishment we cater for all works. We also specialize in roofing on new build projects and all areas of commercial work.

Roof sheds offer a reliable and professional general construction service based on experience, expertise and performance. Our team of dedicated professionals takes great pride in catering for all our clients' needs covering the private and commercial sectors. Our experience within this industry have enabled us to complete projects in the various places in India.
